Hand-drawn diagram illustrating a path from (0,0) to (3,3) on a 4x4 grid. The grid contains 0s and 1s. A path is marked with blue arrows, starting at (0,0), going down to (3,0), then right to (3,3). The cell (3,3) is circled in blue. The path is blocked by 1s at (0,1), (1,0), (1,1), (2,0), (2,1), (2,2), and (3,1).
